

## The Shelsleys Gardening Club

This very informal club was started about 12 years ago by a small group of friends. The group has gradually grown over the years and we now often see audiences of around 20 for the evening talks or demonstrations.

Meetings are held once a month on a Wednesday evening in the Shelsleys Village Hall. We aim to start around 7.30pm with members and guests enjoying a glass of wine or cup of coffee in a friendly atmosphere, followed by an illustrated talk or demonstration.

This is very much a gardening group rather than a horticultural society. You do not need to be an expert gardener to come and enjoy yourself. Talks cover a wide range of topics and have included “Sharpening Tools for the Terrified” (this was a winner!), “Plant Hunting in Tibet” and “Gardening for Wildlife” as well as talks on specific groups of plants such as irises, ferns or roses. In the summer months we visit local gardens and enjoy refreshments in some beautiful spots.

Our subscription is only £10 per annum plus £1 per meeting. Visitors, who are always very welcome, are asked to pay £3 per meeting.
