St Kenelms – Clifton upon-Teme recently held its Annual Harvest Festival Celebration. There was a good congregation for the service which was led by Mrs Pat Snelling and to hear the speaker Bishop Christopher Mayfield.

In his sermon the Bishop spoke about the various forms harvest can take and since we are all part of creation then we need to look after ourselves as well as others. He used the letters **GYM**, which to everyone would seem to 'keep fit' but he said they could also be used to symbolise our relationship with our faith. **GOD YOU ME**. We need to keep our faith 'fit'.

Mrs Snelling thanked everyone for the lovely arrangements which were all around the church and the choir sang an anthem.

Afterwards the congregation were treated to a superb Buffet Supper and thanks must go to Mrs Jean Davies, Mrs Jackie Gilbert, Mrs Patricia Knowles and Mrs Carol Taylor for their hard work and to everyone else who contributed to what was a thoroughly enjoyable and friendly evening.
